

PRODUCT SUBMITTAL DATA

ENGRAVED PLASTIC VALVE TAGS

DESCRIPTION: Durable indoor/outdoor plastic, 1/16" matte finish features blended co-extruded, multi-layer plastic which is permanently fused with contrasting core and cap colors.

USE: Indoor/Outdoor

COMPLIANCE: ASME (ANSI) A13.1 1981

Craftflex-Valve tags are our most popular type of plastic valve tags. Engraved through colored layers to expose rich contrasting text. Excellent for all indoor/outdoor marking needs. Choose from a wide array of color combinations, sizes and thickness as well as single or double sided engraving. Available in square and round shapes.
